BSW Healthcare GmbH, Behringer Straße 7, 73079 Sülben

DIRECTIONS

Add 10 pumps into a glass of water [200ml]. Mix it with a spoon by gently stirring. Afterward, the mixture should be consumed directly. The mixture should not be stored for an extended period.

There may be the formation of suspended particles and sediments.

CAUTION: Not for use by persons under 18 or pregnant or breastfeeding women. Do not exceed directed amount. Keep out of the reach of children.

Report serious adverse events: 208-338-8902

COENZYME Q10. THE SPARK OF LIFE.

Coenzym Q10, which belongs to the group of quinones, is an essential organic compound and a cofactor that occurs naturally in every human cell as a part of its mitochondria. In vital organs such as the heart, lungs and liver it is particularly prevalent.

As part of a balanced diet and a healthy lifestyle, coenzyme Q10 can contribute to supporting our general well-being.

*relates to the finished product.
